The Learning Center teaches and enlightens children. Our exceptional educational programs are classroom designed and tested. These unique packages have been invented to introduce 3 to 9 year olds to the ease of computer learning. Through the use of basic concepts such as colors, shapes, numbers and letters, children understand counting, math and language skills. Each program is designed to develop a specific skill, rewarding each correct answer with music and a happy face. Most are compatible with our new Edumate Light Pen \$34.95.

Available for Atari 400/800, VIC-20 and Commodore 64; all require 8K for cassette, 16K for diskette.

Please ask about programs available and their prices for Pre-School, Kindergarten and Grades 1 & 2. Prices range from \$8.95 for a single cassette to \$79.95 for a complete set on diskette.
